CONTENT WARNING: Intense depictions of mass murder, violence, child abuse, implications of sexual violence, sexual content, bullying, fake blood, theatrical haze

A cult classic, *Carrie* is a story of the supernatural set against the backdrop of adolescence, power dynamics, and religion. Carrie White, an outcast at her school, is bullied viciously by peers. At home, her mother is fervently religious and overprotective. The show highlights the lasting impact of bullying on an individual and a community, specifically in high school through adolescence. The heart of the show lies in its portrayal of Carrie White's transformation from an outcast to a formidable force as she works through her relationship with not only her mother but her peers, too. The show features music by Michael Gore, lyrics by Dean Pitchford, and a book by original screenwriter Lawrence D. Cohen.

Unlike the original book, *Carrie: The Musical* is set in the modern day, which highlights the timelessness of the themes in the story. Bullying, isolation, and emotional neglect are themes that remain relevant as relatable to younger audiences to this day as they were in 1974 when the original book was published. Simultaneously, we have incorporated the aesthetic of the '80s into our set design and costumes in order to pay homage to King's and Brian De Palma's original works. We have drawn inspiration from *Heathers*, *The Breakfast Club*, *Ferris Bueller's Day Off*, and *Stranger Things*: these films, while embracing the teen culture of the time, share an underlying dreariness and sense of unease born out of resentment toward the pressures of school, which is the crux of Carrie's arc.

The musical style of *Carrie* is a fusion of a variety of genres spanning from pop-rock to ballads. Songs by Carrie and Margaret are slower, and more eerie, creating an atmosphere of danger and intimacy, which is in stark contrast to songs set in the school with Carrie's peers that are in major keys with heavy influences from contemporary rock.

This Halloween weekend, we hope you enjoy Scotch'n'Soda's production of *Carrie: The Musical*. Join us for a night of suspense and haunting melodies as we bring this iconic tale to life. Thank you for being a part of our audience, and we look forward to sharing this unforgettable experience with you.
