DISNEY'S THE LITTLE MERMAID

Is presented through special arrangement with Music Theatre International (MTI).
 All authorized performance materials are also supplied by MTI. www.mtishows.com
 Funded in part by your student's school.

A NOTE FROM THE DIRECTOR

35 years ago, the story of a mermaid named Ariel dreaming of life beyond the sea captured the hearts and imaginations of audiences all over the world in Disney's animated *The Little Mermaid*. Based on the 1836 Hans Christian Anderson fairytale, Ariel's story has taken many forms in the decades since. Today, *The Little Mermaid* and songs like "Part of Your World," "Under the Sea," and "Poor Unfortunate Souls" are beloved by children and adults alike across generations.

At its heart, *The Little Mermaid* is a coming of age story of a girl trying to make sense of the world and her place in it. Part of what makes her story so compelling is that so many of us have a bit of Ariel inside – yearning for adventure, questioning our limits, and longing to find a place to belong. A fairytale, much like theater itself, has the power to unlock the magic of imagination and reflect truths about ourselves and the world around us.

Today, we invite you to experience the magic of *The Little Mermaid* anew, filled with both familiar nostalgia and exciting new discoveries and perspectives on characters you know and love. We hope you will embrace the power of imagination as we tell you a tale of the bottomless blue and embark on a journey to the world above.

–Val Nayak, Director

CREATIVE & PRODUCTION STAFF:

Director – Val Nayak
 Asst. Director – Keira Tantiillo
 Music Directors – Zoë Brown & Michael Loguercio
 Choreographer – Cordelia Pride
 Asst. Choreographer – Sienna Lehner
